

2025 Islamorada Sailfish Tournament Additional Entry Form

These are categories that offer more ways for teams to win more money in the tournament. However, as the title indicates, they are not required. Pay for the categories you want to enter and omit the ones you don't want to enter. All teams may enter all the categories except for the non-pro overall. This is reserved for only non-pro teams. All entries are boat entries. Each category in the optional entry section provides a brief description of how the winners will be awarded. Prices shown are discounted cash prices. You can enter the additional entries online with a credit card for the full price that includes an additional 3.5%
